**The Rector of the University of Douala hereby declares as follows :**

Admissions for **1740** students into **Professional Master Programmes** of the National Higher Polytechnic School of Douala have been launched for the **2025/2026 academic year** as presented in the following table :

N°	Specialties	Available positions	Requirements	Fees
1	Metal Constructions and Industrial Mechanics	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
2	Geotechnics and Building and Construction of Infrastructures	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Public works engineer diploma Or equivalent	750 000
3	Hydrocarbons and Sustainable Development	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
4	Thermal and Energy Engineer	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
5	Software Engineering	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
6	Mechatronics and Technical Management of Equipment	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
7	Integrated Management of the Environment and Natural Resources	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
8	Management and Optimization of Energy Production and Audit of Thermal Power Plants	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
9	Optimization of Waste Management and Action for the Industry impact Reduction on the Environment	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
10	Manufacturing and Logistic Quality	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
11	Urban Hydraulics and Sanitation	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
12	Biotechnology and Food Safety	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
13	Power Grid Engineering	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
14	Electrical Engineering and Automation	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000

15	Methods/ Maintenance and Performance Tools	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
16	Intelligent Systems Engineering and Optimization of Operational Safety	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
17	Formulation Process Engineering	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
18	Water Technology	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
19	Engineering, Method, Process Management and Industrialization	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
20	Technical-Economic Management of Industrial and Infrastructural Engineering Projects	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
21	Materials Science and Engineering	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
22	Network Engineering and Telecommunications	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
23	Architecture of Information Systems and Communication	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
24	Information Systems Security	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
25	Naval and Maritime Operations	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
26	Community Planning-Topography-Urban Planning	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	750 000
27	Port Terminal Operations Management	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
28	Cyber Security and Cyber Defence	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000
29	Pharmaceutical Engineering	60	Bachelor in technology Bachelor in Sciences Professional Bachelor Or equivalent	600 000

#### Application file :

1. An application form stamped at 1500 FCFA duly completed and printed via [www.enspd-udo.cm](http://www.enspd-udo.cm).
2. A certified photocopy of the birth certificate less than three months old;
3. A certified photocopy of the required diploma less than three months old;
4. A certified photocopy of the transcript for the academic year of graduation required,
5. Four 4x4 passport photos ;
6. A receipt for payment of the application study fee in the amount of **25,000 FCFA** (twenty five thousand) payable to **UBA** (United Bank for Africa) at Account No. : 0 100 500 000 2-87, the **National Higher Polytechnic School of Douala** ;
7. An A4 envelope stamped at 1000 FCFA (postage stamp) bearing the candidate's address.
8. A medical certificate dated less than three months, issued by the Medical-Social Center of the University of Douala ;
9. A letter of motivation in which the candidate undertakes to find an academic internship.

NB : - Pre-registration will only be done online via [www.enspd-udo.cm](http://www.enspd-udo.cm) and the deadline for admissibility of complete ENSPD applications is set for October 31, 2025 at 3 :30 pm.

- The courses will take place at the Professionalization Complex of the University of Douala located at Campus 2.
